

Dear Sirs: I am for this petition. We need to delete Element 1, the 5 WPM Morse code exam totally from the Amateur Service rules. I also believe the FCC to act on this matter ASAP, preferable with out further ado. I strongly beleive that the Morse code requirement has and will continue to keep newcomers away from Amateur Radio. Other countries have/or are in the process of doing away with it and I believe our country should do it also. Thank you.
